

🕊️ Goodbye Adrian Nicklin 🕊️

Adrian was a cornerstone of the Friends of Essington and Essington Parish Council, a true Community Warrior who dedicated himself to the betterment of our village. A committee member almost since the founding of Friends of Essington, he was a highly respected and loyal member of numerous groups, including the Royal British Legion. His famous music events, particularly the Bavarian & Soul nights will live long in our memories.

Adrian will be sorely missed. His many years of hard work and dedication to our community will always be remembered and appreciated. He leaves behind a void that will be difficult to fill, but his legacy of service and commitment will continue to inspire us all.

Rest in peace Adrian.
