

Friends of Essington

TO THE FAR LEFT OF THE ESSINGTON 2000 COMMEMORATION, WE ARE CONSTRUCTING A FURTHER MONUMENT IN THANKS AND RESPECT TO THE MINING COMMUNITY IN ESSINGTON OVER MANY YEARS.

THIS IS A PROJECT PROMOTED BY COUNCILLORS KEN PACE, BRYN WHITEHOUSE AND ADRIAN NICKLIN. ALL NOW SADLY DECEASED.

THE MONUMENT IS BEING FUNDED BY A GRANT FROM ESSINGTON PARISH COUNCIL WITH PRODUCTS AND SERVICES PROVIDED, FREE OF CHARGE, BY IBSTOCK BRICK, HILTON MAIN CONSTRUCTION, DATOM AND ESSINGTON SURFACING. WE ARE VERY GRATEFUL FOR THEIR HELP.

YOU MAY THINK THAT IT IS TAKING A WHILE TO COMPLETE. WE ASK FOR YOUR PATIENCE, AS A LOT OF THE WORK IS BEING CARRIED OUT BY UNPAID VOLUNTEERS FROM FRIENDS OF ESSINGTON AND BY THE GOOD NATURE OF THE GENEROSITY OF LOCAL BUSINESSES - WE WILL NOT PRESSURE THEM INTO DOING THE WORK - IT IS AT THEIR CONVENIENCE.

OUR BRICKLAYER IS DUE TO START WORK ON THE MONUMENT SURROUND IN EARLY 2026, WEATHER PERMITTING.

WE HOPE YOU ENJOY SEEING THIS MONUMENT TAKING SHAPE.
